Camp Great Strides incorporates many of the familiar routines, games, songs and activities you may remember from camp. Each session has a theme with appropriate games, craft activities and adventures to complement the theme.

The camp is run by the Camp Program Coordinator, a Camp Counselor and staffed by **FOOTPRINTS 4 Autism** volunteers, all of whom have completed their required training programs and who are dedicated to providing a safe and happy environment for the children.

Open to children 13 years of age and under who have been diagnosed with an Autism Spectrum Disorder, **Camp Great Strides** is part of the **FOOTPRINTS** respite program
